CENTENNIAL EDUCATION FOUNDATION

The Centennial Education Foundation is working with your Home and School Association for a district wide fundraiser. Your purchase of a **Centennial Education Foundation 2009 Raffle Calendar** will support funding for teacher mini-grant enrichments to the curriculum of the Centennial School District and your Home and School Association. Each student is bringing home two (2) calendars. If you will be unable to participate, please return the calendars to your school as soon as possible. Calendar money and completed calendar stubs must be returned to your child’s teacher no later than **March 25, 2009**. Checks should be made payable to: **Centennial Education Foundation**. A portion of the funds generated in our JACKPOT Calendar will be returned to Home and School Associations of the Centennial Schools. For every calendar sold by a Centennial School Home and School Association that organization will receive \$1.00.

All sold calendar stubs will be placed in a raffle barrel. There are prizes listed on the calendar for each day during the month of April. On the days with two prizes, the first name drawn wins the first prize listed. The second name drawn wins the second prize listed. All winning tickets drawn will be returned to the barrel for the remaining drawings. You have 60+ chances to win. Winners will be drawn each Friday, with the first drawing on Friday, March 27, 2009. Winners will be contacted. The deadline to pick-up prizes is May 29, 2009.

CEF extends a special thank you to our contributors for their generosity. Businesses, teachers, administrators, individuals, parents and community partners have donated prizes. Thank you to ALL. We further wish to acknowledge and thank the Home and School Associations, CEF board members, and Ann’s Choice for their support and partnership.

We greatly appreciate your support for the *Mission* of the Foundation and our commitment to quality education. Our belief is providing the best opportunities to support student achievement helps to build strong communities and enrich our future. “The best way to predict the future... is to help create it.”

Sincerely,

THE CENTENNIAL EDUCATION FOUNDATION
