# CENTENNIAL EDUCATION FOUNDATION

Wm. Tennent  
Stackpole School  
Davis School  
Log College  
Leary School  
Longstreth

The Centennial Education Foundation \* is working with your Home and School Association for a district wide fundraiser. Your purchase of a **Centennial Education Foundation 2007 Raffle Calendar** will support funding for teacher mini-grant enrichments to the curriculum of the Centennial School District and your Home and School Association. Each student is bringing home two (2) calendars. If you will be unable to participate, please return the calendars to your school as soon as possible. Calendar money and completed calendar stubs must be returned to your child's teacher no later than **Tuesday, March 27, 2007.** Checks should be made payable to: **Centennial Education Foundation.** For every calendar sold by a Centennial Home and School Association, that organization will receive \$1.00.

All sold calendar stubs will be placed in a raffle barrel. There are prizes listed on the calendar for each day during the month of April. On the days with two prizes, the first name drawn wins the first prize listed. The second name drawn wins the second prize listed. On the days with three prizes listed, the third name drawn wins the third prize listed. All winning tickets drawn will be returned to the barrel for the remaining drawings. You have 60+ chances to win. Winners will be drawn each Friday, with the first drawing on Friday, March 30th. Winners will be contacted.

CEF extends a special thank you to our contributors for their generosity. Businesses, teachers, administrators, individuals, parents and community partners have donated prizes. Thank you to ALL. We further wish to acknowledge and thank the Home and School Associations, Mr. Joe LoCascio, Ann's Choice, CEF board members, and George Fischer for their support and partnership.

Last but not least, we greatly appreciate your support for the *Mission* of the Foundation and our commitment to quality education. Our belief is providing the best opportunities to support student achievement helps to build strong communities and enrich our future. "The best way to predict the future... is to help create it."

Sincerely,

THE CENTENNIAL EDUCATION FOUNDATION
